The Trojan

Andover, Kansas

Eighty Five

The 1985-86 annual is dedicated to Mrs. Carole Lindsay-who made it all possible. Throughout the years, she has worked with the annual staff to create a memorable yearbook for our school. Her hard work has often gone unnoticed, and this will be her last year to put out the yearbook. Therefore, we, the members of the annual staff, would like to dedicate this to her as a token of our appreciation. Thanks Ma-We love you!!!

TROJAN

MARY CHASE - 27 YEARS

TROJAN NITE EXCELLENCE

One of Andover's great traditions was begun under the sponsorship of Mrs. Chase. In the fall of 1967, the Student Council adopted an event intended to increase interest and involvement in school activities. Thus, began one of the most innovative activities in school life. Other schools have tried to duplicate the event; however, Andover has been the only school to carry on the fast paced, high spirited event. The tradition has been continuous for nineteen years with the exception of one year.

Mrs. Chase has always been the guiding influence behind Trojan Nite. The Yearbook and the entire school wish to thank Mrs. Chase for the years of great competition. We know that Trojan Nite will carry on, built on the firm base created by Mrs. Chase.

A "TRADITION" RETIRES

Andover High School is rich in tradition. For the past 27 years a major part of this tradition has been Mrs. Chase. As a physical education teacher and as an English teacher, Mrs. Chase has greeted two generations of Trojans as they entered the "hallowed halls of Lore" each fall. Helping to build tradition at A.H.S. Mrs. Chase conceived the idea of Trojan Nite and helped develop it into one of the highlights of the school year. Traditionally, we have expected Mrs. Chase to sponsor our Student Council dances. Traditionally, we have expected Mrs. Chase to grade our term papers, check our note cards and correct our paragraphs.

This tradition is coming to a close. After 27 years of service, often above and beyond the call, Mrs. Chase is retiring. The school will miss her. The teachers will miss her warm friendship and help each day. The administration will miss her solid and dependable presence.

The 1986 Yearbook Staff takes pride in paying this tribute to Mrs. Chase. We speak for all when we say, "Thank you, thank you for the greatest years."

ADMINISTRATION

DR. JERRY SINGER

Dr. Jerry Singer is in his first year as principal at Andover High School. He has previously taught math, four years, and was an Assistant Principal in Salina for eight years. Dr. Singer received a BS in math from Washburn University, and MA in School Administration from Kansas University, and a PHD. in School Administration from Kansas State University.

I have been extremely impressed with the staff and students in Andover High School. The reason for this is that everyone shares the common goal of providing or obtaining the best possible education that is available. When students and staff members share this goal it results in the smooth and efficient operation of a school.

My primary goal for the future is to insure that students who graduate from our school can go on to college or out into the work force and be successful individuals. Specific areas that I will be working on include evaluation of the current curriculum offerings and reviewing attendance guidelines so that they will fall closer to what is expected of individuals who are successful in our society.

The best advice that I can give to students is to take full advantage of all of the opportunities that are available within our school. Your high school years are ones that you will cherish for the rest of your life, so apply yourself and create positive memories that will help you grow as a successful citizen within our society.

The job of Activities Director is a complex and busy position. The AD is responsible for scheduling, planning, and carrying out all of the various activities involving the high school and the middle school. He is responsible for seeing that the activities of the school involving competition be done so in accordance with the rules and guidelines of the Kansas High School Activities Association.

Just as the academic part of the school demands the supervision of the principal, the activity part of the school demands the constant management of the A.D. His hours are long and arduous because he is on duty during the school day, and is required to attend school sponsored events which sometimes last until midnight. He is a busy man.

DALE DOWNING

Mr. Dale Downing has been the A.D. at Andover for eight years. Prior to that he taught Science in the Jr. High for eleven years. Mr. Downing holds a BA in Education-Physical Education, and an ME in Administration. He received both degrees from Wichita State University.

COOKIN' CREW

We are the Trojan cookin' crew.
Cookin' it up, doin' it for you.
We're so bad we know we're good.
Cookin' up a storm like we knew we would.

We didn't come here to stir up no trouble,
We just came to do the Trojan shuffle.

They call us punchin', we punch them holes,
We can do it five, ten, in a row,
We take the cash and hand out the cow,
To give those kids the beat, and how!

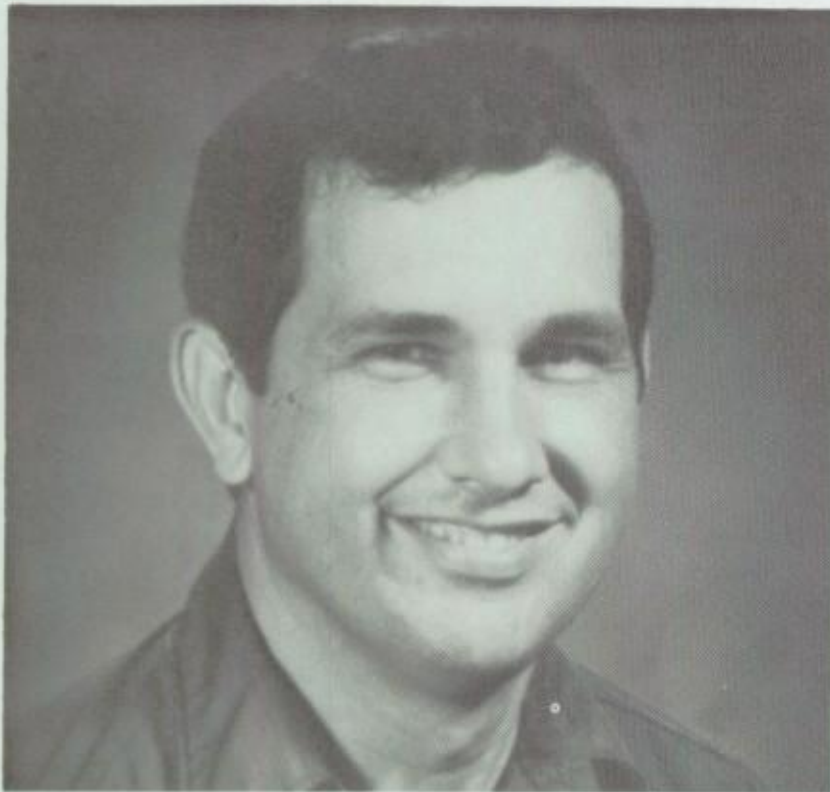

We pass the trays to a boogie beat,
And keep the grub arranged real neat,
We slide it down the row so quick,
And shuffle our feet with a click, click.

We pile on the beef and pile on the fries,
And heap it clean up to the skies.
We shuffle our hands and twist our feet,
And make a curl on a malt so neat.

This here's the boss, now he's no fridge,
He's just a wild and crazy bridge.
He jumps around from school to school.
This guys a rookie, but he's no fool.

We are the Trojan cookin' crew.
Cookin' it up, doin' it for you.
We're so bad we know we're good.
Cookin' up a storm like we knew we would.

We didn't come here to stir up no trouble,
We just came to do the Trojan shuffle.

Debby Arbuckle, Kim Erickson, Christy Walters, Marlene Warren, Audrie Ana Galvan, and Lori Williams were all nominated as Superstar Girls at camp this summer. This nomination entitled each girl to perform with the National Superstar Drill Team in Hawaii and Ireland. Marlene Warren went on to be named a Superstar Girl and received a trophy.

SPONSORS: Julie Ewing, Mr. Regeher.

It has been another busy and exciting year for the Trojanettes! The Trojanettes began their season early last summer when they attended the Superstar Drill Team Camp at K.U. The Trojanettes excelled, and brought home every possible award. These included a Sweepstakes trophy for the 1's received by each individual girl, a first place Home Routine trophy for their jazz dance "Hello", an Award of Excellence for Precision Drill, a routine they learned and perfected at camp, and a Spirit Pom for their spirit and enthusiasm. Six of the team members were nominated for Superstar girls.

Throughout the year the Trojanettes have entertained our crowd, as well as performing at K-State.

The Trojanettes finished their season by traveling to Olathe for a Superstar competition. Once again the Trojanettes excelled and received perfect ratings on all three routines taken. They brought home another Sweepstakes trophy for a spectacular finish to an exciting year.

IMPORTED FRIENDS

GREGOR MIELKE

My year here is nearly over now. Usually one would expect someone who has been away from home for nearly a year to be homesick or at least strongly looking forward to returning. As an exchange student, I found that to be different because here we found something like another home. Therefore it will be just as hard to leave our friends and families as it was where we came from. Thank you all for giving us that second home and if you ever come to Germany, drop by.

I have really had a good time at Andover High School; sharing with the students here has been an interesting, learning and fun experience. I will always be glad I attended this school, and I hope that if you ever see the Norwegian flag, you will remember me. Good luck to you and to coming exchange students in Andover!

America is a pretty interesting and cool country. Totally different from what I thought to expect. I enjoyed my stay here in Kansas, especially Andover, very much. I had the chance to get to know a lot of nice people, and that made a lot of things easier for me. I think Andover is great!

What I like most about Andover is the friendly people. Everyone tries to help you, and they consider you to be another guy or another friend. The people open their lives to you and let you go in. I like Andover and Andover is what I know about the United States. I can now say that I like the United States a lot. I will never forget this year in all my life. Thanks.

TO MY BROTHERS AND SISTERS
IN CHRIST:

"KEEP JAMMIN' FOR JESUS!"
-DAVID BEAVER

Brenda,

Remember

4 square in the middle of the
street

and always playing tap-tap
your feet?

We had Pipas, Barbies, and a
Lundaby House,

we liked Donald Duck, Goofy, and
Mickey Mouse!

We played with matchbox cars of
all sorts,

We built snowmen, tunnels,
and pretty good forts.

We had picnics and went on
long walks,

and together we had the chicken
pox!

But those days are gone and
there are new ones to come,
and in these I hope you will
have as much fun.

I wish you luck as you go off
to college,

and become older and wiser
gaining more knowledge.

- Stacey

Jaime,
